

VISION AND MISSION

Murkong Selek College was established in the year 1984 with the modest aim of providing facilities to the poor and aspiring students to pursue quality higher education and thereby enabling them to earn knowledge and manifest their inherent talents.

The college was established with these modest visions and missions.

Vision: The modest vision of the college is to create and provide facilities to the deserving and aspiring students residing in this border, TSP and riverine areas to pursue quality higher education among them and thereby moulding them intellectually competent, socially accountable and committed and morally upright.

Mission:

1. The College strives to be a centre of excellence, catering to the need and aspiration of the academically and socially backward population residing in this area.
2. To impart quality higher education to the students with strong foundation and thereby making them eligible and competent to face and meet the challenges of the present day world.
3. To create an academic atmosphere of higher learning in the backward societies and communities of this area.
4. To inculcate discipline among the students in terms of sincerity, regularity, punctuality and to develop them into socially responsible citizen.
5. To generate and create congenial atmosphere for peace, harmony, amity, social development and progress among the various communities residing in this region.
6. To enable the people to give up superstitious beliefs and bring more and more consciousness and scientific outlook in the society.

To carry forward these visions and missions, the college has been constantly working with deep sense of responsibility. Now the faculty members are actively engaged in research works, workshops and seminars to cope with latest changing scenario and development of this globe.
